

DEMOCRAT SAYS G. O. P. HAS LOST ECONOMY PLANK

Representative Hyrns Attacks Provision for "Deserving Politicians."

(By United News.)
WASHINGTON, May 25.—Charges that Republican leaders have entered upon a deliberate policy of increasing the number of political offices during the next year by increasing appropriations, were made in the House today by Representative Hyrns, Tennessee, leading minority member of the House Appropriations Committee.

Hyrns attacked the action of the House Republicans in the deficiency bill appropriations of \$71,000 stricken out on points of order.

"This entire amount is to provide offices for deserving politicians," he said. "That has become of the economy plank and Republican declarations that the government force would be reduced."

Representative Hyrns, South Carolina, attacked the Republican leaders for camouflaging appropriations in various ways and making it appear that government expenses were being reduced, when the actual amounts to be paid out of the Treasury were greater.

Democratic Leader Garrett read several excerpts from President Harding's New York speech in which he stated that government economies would be effected. These received only scattering applause from the Republican side.

WOMAN FINED \$50 AND BANISHED FROM JURY

(By Associated Press.)
CLEVELAND, O., May 25.—Mrs. Ellen Griffith, tentatively seated as a juror in the perjury trial of former Judge William H. McAnnon, was banished from the jury, fined \$50 and costs and sentenced to ten days in jail by Common Pleas Judge Florence E. Allen, late today on a charge of contempt of court.

Mrs. Griffith was accused by Miss Catherine Chambers, a bailiff, of saying it would be worth \$50 to an organization of which Mrs. Griffith is a member if McAnnon was found guilty.

While being examined as a tentative juror, Mrs. Griffith swore that she had not talked with any one concerning the case.

Hill, of Louisville, Ky., who last week told the assembly every one should read the newspapers to keep informed of the activities of persons such as Ruth.

HOME BREW HURTS GRAPE JUICE SALE, SAYS WELCH

(By Associated Press.)
WASHINGTON, May 25.—Home brew and soft drinks of cereal origin are cutting deeply into the unfettered grape juice business, John F. Welch, head of the grape juice company that bears his name, told the Senate Finance Committee today, in pleading for reduction of taxes on his product. With an aggregate plant storage capacity of 11,000,000 gallons, he said, twenty American grape juice concerns were turning out only 7,000,000 gallons, owing to the competition.

Mr. Welch named the beverages including home brew which he said interfered with grape juice markets. "I suppose part of these are heart exhalators," interjected Chairman Penrose.

"And raisins," supplemented Senator Sutherland, of West Virginia.

IT WAS EXACTLY WHAT HE NEEDED

Leake Says Tanlac Quickly Overcome All His Troubles. Will Always Have Good Word for It.

"I had not taken but a few doses of Tanlac before I saw I had found exactly the medicine I needed," said E. T. Leake, 306 N. 1st St., Charlottesville, Va., a well-known clerk in the office of the American Express Company.

"My stomach was all out of order, and I had absolutely no appetite. My food soured and formed gas, which bloated me up so that I could hardly bear the pressure of my clothes around my waist, and at times I was almost deathly sick. Sometimes I had such pains in the pit of my stomach I had to sit all bent over until they eased up. What sleep I got did me very little good, and I was so nervous I could hardly sit still long enough at my desk to add up a column of figures. I had to take medicine every day for constipation, and many mornings I woke up with a splitting headache. I had a dull miserable feeling all the time, and my condition worried me almost to distraction.

"Well, sir, I never thought it possible for a medicine to rid me of these troubles in so short a time as Tanlac has. My appetite has come back in full force, every trace of indigestion has left me. I never suffer from constipation, nervousness or headache, and am just full of strength and energy. I have told all the boys in the office about Tanlac, and it will always get a good word from me."
